Dear Parents,

30 hour free childcare scheme - Admission to Nursery School

All parents will have to apply for the 30 hours Free Childcare through the digital childcare service: https://childcare-support.tax.service.gov.uk/

When you have entered your information you will be provided with an eligibility code that must give to the school. Please complete the below slip and return to the school as soon as possible to secure your full time 30 hour place.

The school will run a check to make sure your code has been validated and confirm your child's 30 place.

Please note it is your responsibility to get a code, notify the school and you will also need to renew your code every 3 months.

Yours sincerely
