# Tachbrook Nursery School Uniform Policy

## Introduction

At Tachbrook Nursery School, we believe that practical and comfortable clothing supports children's learning, play, and overall development. While there is no requirement to purchase personalised or branded uniform items, we ask parents and carers to follow this policy to ensure children are dressed appropriately for their activities and environment.

## General Clothing Guidelines

Children should wear:

- Comfortable, practical clothes that allow for movement and active play.
- Clothes that are easy for children to manage independently, such as elasticated waistbands for trousers or leggings.
- Weather-appropriate clothing, including warm layers in colder months and sun-protective wear in warmer months.
- A spare set of clothes (including underwear and socks) in a named bag, in case of accidents or messy play.
-

## Footwear

- Sturdy, closed-toe shoes or trainers that provide good grip and support.
- No flip-flops, crocs, or open sandals for safety reasons.

## Outdoor Wear

- A waterproof coat with a hood during colder or wet weather.
- Wellies for outdoor play (these can be kept at school if preferred).
- A sun hat in warm weather, along with appropriate sun protection.

## Practical Considerations

- All clothing and accessories should be clearly labelled with the child's name.
- Avoid clothing with difficult fastenings such as tight buttons, belts, or laces.

## Special Considerations

We recognise that some children may have specific clothing needs due to medical, cultural, or religious reasons. If you have any concerns or require adjustments to this policy, please speak to a member of staff.
Thank you for supporting our uniform policy to ensure all children can participate fully in nursery activities in a safe and comfortable way
